

Ready for Remembrance at Hengist Field Care Home

A poignant display

Here at Hengist Field Care Home, we are ready to commemorate our fallen heroes from World War 1 and World War 2 this weekend, and we will wear our poppies with pride.

Our lovely residents have helped with the decorations, made poppies, and we are all looking forward to our singer on Friday, the Armistice religious service on Saturday and watching the Cenotaph on television on Sunday.

Lest We Forget.
