

Red Nose Day laughs at Hengist Field Care Home

We enjoyed a very jolly Red Nose Day on Friday 18 March at Hengist Field Care Home, when we had plenty of giggles and laughs!

We decorated our lounges and created a **Red Nose Tree**, which our residents loved!

We shared some **Red Nose trivia and quizzes** and had some fun using red nose props with our ladies and gents.

In the afternoon our residents chose to go into our **garden** for some fresh air, sunshine, a sing along and some reminiscence chat.

A super day enjoyed together.
