

## Residents enjoy tasting sausages at Hengist Field Care Home

We enjoyed a fun afternoon this week tasting different flavoured sausages at Hengist Field Care Home.

*We had a delicious selection to try;*

*Bramley apple and pork  
Caramelised red onion  
Mozzarella and smoked tomato  
Maple and smoked bacon  
Cumberland  
Welsh cheddar and smoked bacon*

Our residents thoroughly enjoyed sampling each flavour.

Our two winning sausages were.....drum roll please.....**Cumberland** and **Caramelised red onion**. Yum!!

A delicious food tasting session
