

Scrumptious sausage rolls at Hengist Field Care Home

Our Hengist Field Care Home residents have decided to start getting more involved with making their supper and recently chose to make their own sausage rolls.

With help from our **Chef Jonny**, our ladies and gents were given pastry, sausage meat, egg wash and flour and were able to **design their own sausage roll creations!**

Wendy decided to have a naked sausage roll, **Reg** wanted a spiral roll and **Hildy** showed off her baking skills with sausage rolls that could give Greggs a run for their money!!

David called his sausage roll 'The Long Boat', whilst **Peter** and **Mary** decided to go for a party snack size.

Jonny kindly baked them for us all so they were ready for supper. *Delicious!*

Watch out Paul Hollywood!!

Our sausage roll creations!
