

Seasonal arts and crafts at Hengist Field Care Home

We had a brilliant afternoon here at Hengist Field Care Home this week when we enjoyed some lovely arts and crafts time together.

Our residents painted some **poppies**, made beautiful **poppy wreaths** and painted a **Guy Fawkes** ready for Saturday's Bonfire Night - *'Remember, remember the 5th of November!'*

Everyone had a fun afternoon, chatting and making their brilliant creations whilst joining in with the funny conversations. Their artwork will look fantastic displayed in our Home.

Our residents enjoyed these autumnal arts and crafts
