

Sing-a-long with Fred Clark at Hengist Field Care Home

On Friday 25 October we were delighted to welcome Fred Clark to Hengist Field Care Home to entertain our residents for the afternoon.

Fred is an exciting acoustic singer-songwriter from Maidstone, who performs with incredible energy and writes with an upbeat, vibrant style, singing all of the old time favourites for our residents so they can all sing along.

Fred has great interaction with our ladies and gents and likes to get to know everyone by name.

Our residents really enjoyed their afternoon of entertainment with such a friendly singer.

We look forward to seeing you again soon Fred!
