

Singer Harvey entertains residents at Hengist Field Care Home

We were delighted to host some live entertainment from our new singer Harvey on Thursday 14 October here at Hengist Field Care Home.

Harvey sang a fantastic medley of songs, including *Elvis Presley* and *John Denver*, which got our residents' **legs moving** and **hands clapping!**

Between songs he **cracked a few jokes too**, which went down well with everyone.

Thanks for coming Harvey – see you again soon!
