

St Patrick's Day celebrations at Hengist Field Care Home

On Tuesday 17 March our residents at Hengist Field Care Home drank a toast to St Patrick!

The birthday of Ireland's iconic Saint provided a fantastic chance to eat, drink and be merry!

Whether it was the tots of Guinness and Baileys that were served, or the Recreation and Well-Being Team's use of Irish music, DVD of River Dance, or their Goblin hats – everyone had a great time!

In fact, residents enjoyed not just singing, but teaching staff and their friends the Irish Jig! What a fantastic day of laughs and fun.
