

## St Patricks Day dancing at Hengist Field Care Home

**A brilliant time was had by all on St Patrick's Day this week at Hengist Field Care Home.**

Our lovely residents enjoyed a delicious **lunch menu**, which included roast turkey, Irish stewed mushrooms, apple crumble and a trio of mousse Irish style! And we enjoyed some Guinness tasting of course!

And the day wouldn't be complete without some **Irish dancing** by some of our Recreation and Well-Being staff, which everyone found hilarious! *Not quite Riverdance!!*

Everyone enjoyed watching the real thing as we tuned in to watch **Michael Flatley in Lord of the Dance** which everyone thoroughly enjoyed.

Our ladies and gents had fun in their **themed hats** and enjoyed some **Irish limericks** and **cakes**. Our themed **mocktails** were delicious too – Lemon Basil Daiquiris or Sparkling Cucumber Lemonade!

We loved the celebrations!
