

## Stars in Their Eyes show at Hengist Field Care Home

**On Friday 8 March we hosted another fantastic afternoon at Hengist Field Care Home, full of music and costume changes!**

Mimi from The Entertainment Providers performed a wonderful 'Stars in Their Eyes' show which got everyone joining in with the songs. She did a great job performing some classic tunes that everyone loved – **Dolly Parton, Doris Day, Connie Francis, Elvis, The Beatles** and more.

Mimi was great at interacting with our residents and it was a super atmosphere, especially with her amazing array of **colourful costumes**, which were epic!

*Thank you Mimi – what a great afternoon!*
