

Sunshine and bubbles at Hengist Field Care Home

What amazing weather we've been having! Our residents at Hengist Field Care Home have enjoyed seeing the sun and feeling the summertime vibe.

Pauline enjoyed happily sitting in our Orca Dining Room last week enjoying her cup of tea whilst admiring our **pretty courtyard garden** in the sunshine through the window.

Gladys loved an activity with **bubbles** with one of our carers, whilst Eileen appreciated a cooling **ice lolly** in our Russet Lounge and singing along to old time music.

It's always so nice to see our ladies and gentlemen relaxing and enjoying life's simple pleasures.
