

Sweet treat pudding tasting at Hengist Field Care Home

On Saturday 22 July, as requested by our wonderful residents, we organised a tasting session to try out some individual desserts here at Hengist Field Care Home.

On our sweet treat trolley we had:

*Strawberry cheesecake
Lemon cheesecake
Salted caramel cheesecake
Apple, raspberry and chocolate and hazelnut Muller Rice
Yoghurts, including Turkish delight flavour
Crème caramels
Belgium chocolate and chocolate and mint mousses
Flavoured custards and butterscotch Angel Delight*

It was difficult to choose just which one to try first, with so many tempting textures and flavours – so many of our residents enjoyed two, three or four tastes! *After all, you can never have too much pudding!*
