

Sweetie delights for Hengist Field Care Home residents

Here at Hengist Field Care Home we organised an old fashioned sweet cart to celebrate World Chocolate Day on Thursday 7 July.

Our decorated cart was crammed full with a **selection of sweets and chocolate treats** for everyone to enjoy, including **coconut ice, sherbet fountains, dolly mixtures, sugar mice, chocolate buttons, pontefract cakes, liquorice laces, bon-bons** and **parma violets** to name a few!

To add to the fun our team dressed up in **mop caps and frilly aprons**, which our residents loved!

The sweet cart was a great success and sparked so many **memories** which our ladies and gents enjoyed sharing.

'Tasty tasty, very very tasty!!'

Everyone loved our sweetie trolley
