

Talent show time at Hengist Field Care Home

Both residents and staff at Hengist Field Care Home took part in a very special talent show on Tuesday 22 December.

The show included singing, dancing, stand up comedy and the Horsa Unit put on a nativity with residents and staff dressed up as Mary, Joseph, angels and shepherds. Everyone was laughing and had a fabulous time.

We would like to thank everyone involved for the effort they put into making this a very special event for our wonderful residents.

A little Christmas sparkle is just what we all needed after what had been a difficult year for everyone.

Christmas spirit and wishes from everyone at Hengist Field Care Home!

Fancy dress and festive fun!
