The icing on the cake at Hengist Field Care Home

We all enjoyed a wonderful afternoon of cake decorating this week at Hengist Field Care Home, with lots of different coloured icing and sprinkles.

We made and decorated chocolate **Rice Krispie cakes** and decorated **sponge cupcakes** too – all mixed with lots of love, group conversation, taste testing (of course!) and sing-a-longs!

Our lovely Chef Kay joined us for this afternoon of fun and laughter, which everyone thoroughly enjoyed.

And the icing on the cake? Eating all the goodies we'd made!
