

The Maypole Minstrels entertain at Hengist Field Care Home

We were treated to some wonderful live entertainment at Hengist Field Care Home on Saturday 25 January when we welcomed the Maypole Minstrels, a local music group from Borden in Sittingbourne.

The group of six ladies and five men looked very smart in their back and white outfits, finished with rainbow coloured garlands.

Then entertained our residents with a variety of popular songs which we all really enjoyed. It was lovely to hear our **Home** filled with beautiful voices.
