

Tropical Island Day at Hengist Field Care Home

Last week we had fun with a 'Tropical Island Day' here at Hengist Field Care Home.

The weather may have taken a dreary turn, but we were sunny and bright in our tropical paradise of flower garlands and coconuts!

Our Chefs prepared some wonderful 'exotic island desserts' and our residents drank some colourful tropical cocktails, whilst enjoying soothing Hawaiian music and watching staff limbo dance and trying to hoola!

A brilliant day was had by everyone and it was super to see so much tropical colour and so many smiles around our **Home**.
