

Ukulele group visits Hengist Field Care Home

We enjoyed a fantastic Thursday afternoon last week when we welcomed a group of five ukulele players named '**Strings Attached**' to Hengist Field Care Home, who came in to perform for us.

The group played a brilliant selection of songs whilst playing their ukuleles; songs from **The Beatles, The Shadows, Cliff Richard** and many more.

We will definitely be inviting them back, as everyone said how much they had enjoyed watching and listening to their wonderful music.

Huge thanks to the group for a fantastic afternoon!
