

Valentines love at Hengist Field Care Home

Our Hengist Field Care Home residents and staff certainly felt the love on Valentine's Day this weekend.

We enjoyed **love songs** on loud for everyone to hear and sing along to, and we gave out **surprise love hearts and roses** to all our wonderful residents and care staff, which really made their day.

We also decorated our tables for our special **Valentine's lunch** and we enjoyed **Valentine's Bingo** with prizes too.

Love was all around us!
