

## Wartime reminiscence at Hengist Field Care Home

**We celebrated VE Day at Hengist Field Care Home by remembering the wartime and embracing the past.**

Our residents enjoyed time outside in the sun and loved their **Creative Mojo Reminiscence Activity Booklets** packed with wartime photos, colouring pages including 1940s fashions, 1940's song lyrics, wartime word searches and Union Jack bunting to cut out.

Our **staff dressed up** for the day, including our Operations & Compliance Manager, Silvia Barrett, who looked very smart in her services uniform!

We had fun with our food too – our **Union Jack fruit platter**, made from blueberries, strawberries and raspberries went down a treat.

It was a day filled with fun activities and memories of the war; our ladies and gents thoroughly enjoyed themselves.
