

Wearing It Pink for Breast Cancer Awareness at Hengist Field Care Home

On Friday 20 October it was Wear It Pink Day for Breast Cancer Awareness. Our team at Hengist Field Care Home all dressed in pink and held a special coffee morning with 'Pink Punch'.

We held a raffle and a pink games afternoon, where we played "Bra Pong", "Guess how many pink chocolate hearts in the jar", and "Throw the bean bags into the pink hat".

It was a fantastic fun day for a great cause, with lots of group conversations, banter and heaps of laughter. Our lucky winner of the Pink Hamper was our lovely Linda; Congratulations Linda.
