

Wedding anniversary celebrations at Hengist Field Care Home

We wished our lovely Rita and her husband Norman a wonderful 'Happy 58th Wedding Anniversary' on Tuesday 27 October at Hengist Field Care Home.

We organised a visit for Norman to visit Rita in our lovely Orangery lounge and decorated it with **banners, balloons** and **floral decorations** for them.

Our Chef made an **amazing cake** and prepared a lovely trolley with refreshments for them to enjoy, and we gave them a special card from everyone at **Hengist Field**.

Rita looked gorgeous and was so happy to see the love of her life. It was so beautiful and emotional – there weren't many dry eyes at **Hengist Field** that day!

Norman and daughter Jane were so grateful, they couldn't thank us enough.

A very special day for a very special couple.
